SEARCH TIPS & MAINTENANCE

An updated "**Search Tips**" feature has not yet been developed for the new search application. While some form of replacement is on the planning "white board" it is unclear when resources will allow for its development.

If you receive questions about using the search application, please feel free to direct them to the ILR team at support@clris.com or to the support ticket page at <https://iowalandrecords.org/contact/>.

While not front and center, some of the legacy search application pages are still visible including the old Search Tips. You might want to copy the county information posted there for future reference.

Go to <https://iowalandrecords.org/portal/clris/ShowCountiesTab>. **These pages are no longer being maintained**, and users are not being directed there, but they will exist until ILR is ready to shut down the legacy site altogether.

Thank you for your patience on **maintenance** throughout the last month as we facilitated the transition of ILR systems to a new infrastructure. We would also like to express special appreciation for our technical lead, Kelly Wallace, for his expertise and dedication while working on these crucial updates.

"We have made a significant step forward by moving Iowa Land Records

patience throughout the process."

New Credit Card Devices

The ESS Coordinating Committee reviewed and approved a new Point of Sale agreement with Professional Solutions on February 15, 2024. This new vendor is based out of West Des Moines and has agreed to replace old PoS machines, improve customer service and provide training resources.

Thank you to all participating counties for completing our informational survey. Once we have completed setup with Professional Solutions, we plan to begin with a small group of counties to make sure all processes are in place. Then we will onboard larger groups of counties in the following weeks, with the goal of completing the transition by Memorial Day. We will contact you soon with more information.

COUNTY DAY SUCCESS!

A pivotal moment in ICRA's advocacy journey took place on County Day, March 13th. Thank you to all participants for your tireless efforts to foster connections and pave the way for transformative changes!

2024 SESSION TO END SOON

While this year's legislative session is wrapping up, ICRA and the modernization initiative is just getting started! Read the latest ICRA Policy Brief from the second funnel week for updates on new legislation, proposed bills in consideration, and other news that may affect your daily office duties.

REMINDER: UPDATE YOUR LINKS TO ILR

Please remember to review your county website and other digital resources such as email signatures to ensure all links to Iowa Land Records are current. There are still a few counties that are using the old link to the legacy search application, which is no longer supported. Please use the CAS login URL as shown below.
