SHARE THE ANNUAL REPORT

This is a friendly reminder to review the Iowa Land Records Annual Report. The report, highlighting our collective achievements and the significant role played by the County Recorder's Office, has already been shared with your county supervisors on July 8th.

We encourage you to thoroughly review the report and be prepared to address any questions or comments from your county supervisors. During your next county supervisors meeting, please mention that the report has been distributed and is also available on the Iowa Land Records website.

This is an excellent opportunity to communicate key developments and ensure transparency about Iowa Land Records and your office's activities. If you have any questions or need specific clarifications, please reach out to us at support@clris.com. We are here to help you address any inquiries from your community.

ICRA Hub

The Iowa County Recorders Association Hub is a password protected mini site for County Recorder Offices to share training resources, news, polices and more. The hub was first created with leadership from the association and is hosted through the ILR website, maintained by the ESS Communications Coordinator.

For questions, content, or assistance with the ICRA Hub, please reach out to ILR's Communications Coordinator at kristen@clris.com.

How You Can Help Iowa Communities Impacted By Flood

As you may know, many of our communities have been affected by devastating flooding. Many people have expressed the desire to help, but are not sure how. The state website, [iowa.gov](https://www.iowa.gov) shares information on different ways you can help in varying communities. We're not affiliated with this page, but are simply sharing information.
